

Come and join us for a virtual SUN session.

SUMMER DATES 2021

Please note, you will need to be able to access Microsoft teams in order to join the meeting.

SUN sessions are networking and information sharing sessions between parents, carers, young people, schools and services, for anyone living with or working with a child or young person with SEND. It is an opportunity to find out/share what is happening locally, and what support and services might be available

Each session will cover one double district (see below)

Ideally you would sign up for the meeting in the district you live, however, if you are unable to take part in your district group, it may be possible to join one of the others, but please bear in mind not all services cover all areas.
