

# Year 1 Spellings

By the end of KS1 children are expected to be able to read, write and spell a number of HFW words. In order to meet this requirement, children in Year 1 are asked to practice the words below and will be quizzed on Fridays. Children have been shown lots of ways of practising these spellings & will practice them, each week in school, during handwriting. Spellings will be taken from 1 Column are there are 100 in total.
