The children will also be:</p> <ul style="list-style-type: none"> • Exploring rhythmic patterns • Developing their ensemble skills • Learning to perform simple rhythmic ostinatos to accompany a song • Listen to simple stylistic features in Blues and Rock and Roll songs • Compose and make simple rhythmic patterns using different forms of graphic notation 	<p style="text-align: center;">MFL Los Animales (Animals)</p> <p>In this unit the children will learn how to:</p> <ul style="list-style-type: none"> • Remember all the language from unit 1: Aprendo Español. • Be introduced to ten animals in Spanish. • Match all the new Spanish words to the appropriate picture. • Remember the words for at least five animals in Spanish unaided. • Attempt to spell at least three animals correctly in Spanish.

History Through the Ages

This project teaches children about British prehistory from the Stone Age to the Iron Age, including changes to people and lifestyle caused by ingenuity, invention and technological advancement. This unit is structured around 4 sequential history enquiries:

1. What was 'new' about the New Stone Age?
2. Which was better, bronze or iron?
3. If you were Julius Caesar, would you have invaded Britain in 55BC?
4. When do you think it was better to live – Stone Age, Bronze Age or Iron Age?

PE Ball skills

In this unit, the children will learn:

- Develop confidence and accuracy when tracking a ball.
- Explore and develop a variety of throwing techniques.
- Develop catching skills using one or two hands.
- Develop ball dribbling skills.
- Develop tracking, sending and dribbling skills using their feet.

Computing Stop Frame Animation

In this unit, the children will learn:

- That animation is a sequence of drawings or photographs.
- Relate animated movement to a sequence of images.
- Plan their own animation.
- Understand the importance of working consistently and carefully.
- Review and improve animations.
- Evaluate the impact of adding other media to an animation.
