Letter for parents and carers about Key Person Approach.

Dear Parents and Carers.

We use the key person approach in our setting to help your children feel individual, cherished and cared for while they are away from home. This approach means that there is a named member of staff to act as the main point of contact for you and your child.

Your child's key person can help you and your child by:

- Helping your child settle in when he/she first arrives at our setting.
- Making sure that any questions you have are answered.
- Helping your child with their personal care, e.g. toileting.
- Observing your child's play and providing suitable resources and activities.
- Keeping up-to-date records about your child's learning and sharing these with you.
- Encouraging your child to develop independent skills.

If you have any questions about the key person approach, or about how it will help your child, please just ask.

Thank you for your continued support,

EYFS staff.

"SHINE like the star you are."
