Dear Parents & Carers

Welcome to Year 2! We hope you all had an enjoyable Summer holiday and are ready for the Autumn Term as the children begin their final year in Key Stage 1. We are looking forward to it!

Included below is some useful information.

- ❖ Mrs Loton teaches Year 2 on a Monday, Tuesday and Wednesday. Mrs Graham teaches Year 2 on a Thursday and Friday.
- ❖ Children will enter school in the mornings through the same gate as last year. They will be dismissed at the end of the day through the main entrance.
- ❖ **PE days will be Tuesday and Thursday**, pupils to come to school in PE kits on these days please.
- ❖ Please ensure that all items of uniform (especially jumpers/cardigans and PE hoodies) are labelled with your child's name.
- ❖ Each day, children should bring their water bottles and reading record/reading book into class. All other items are available in school for the children so they **do not require pencil cases, notebooks or toys etc.**
- ❖ Children are expected to read every day, this is part of their homework. Books will be sent home by the end of the first week. Children will be encouraged to read their books more than once as this enables them to develop confidence and fluency when reading. Please support us with this and sign and comment in reading records to indicate when your child is ready to change their book. Dojos are given as a reward.
- ❖ Additional homework activities are set each Friday on the Year 2 Padlet. This is accessed via the Year 2 homework page on the school website. Further details will be provided once the children have settled.

If there are any changes/additional information, we will send a text message using Teachers2Parents or a letter will be sent home/made available on the Year 2 letters page on the school website. Curriculum information will also be on the website as well as photos of what we get up to! You can see this via the school Facebook page too.

We are happy to chat with you at the end of the school day but please wait for us to dismiss the class. Alternatively, if you need to contact us, please email:
