Ofsted Inspection Report November 2023

Dear parent / carer,

It's official! We're "Good" with "Outstanding" in Early Years!

It's been quite a journey.

St. John's has gone through a difficult journey over the last few years and a period of substantial change: changes in leadership and staffing; joining QEGSMAT; and let's not forget Covid!

Behind the scenes, our staff have worked endlessly putting in an incredible amount of effort to get us on track. Their dedication and commitment at St. John's has been unflinching. New practice and policy has been put into place, and huge improvements have been made throughout the school in many areas.

We could not be more pleased that our recent Ofsted visit acknowledged the challenges and successes of this journey. What is even more pleasing, is the recognition of St. John's pupils - their commitment to learning; their pride in our school; and the wonderful human beings they are.

A huge thank you to our school community for supporting our efforts and being part of this journey. Now, we look forward to a period of continued stability, building on this success and, with your help, continuing on the road of improvement to make St. John's shine even brighter!

Happy New Year to you all.

Best wishes
Sarah Stone

"SHINE like the star you are."
