### Significant Individuals in the local area

#### Class Book

#### Traditional Tales

### Maths

In maths over the term, we will be covering the following objectives:

#### Addition and subtraction (within 20)

- Add by counting on within 20
- Adding ones using number bonds
- Find and make number bonds to 20
- Doubles
- Near doubles
- Subtraction using number bonds
- Subtraction– counting back
- Subtraction – finding the difference
- Related facts
- Missing number problems
- End of Unit Assessment

#### Assessment Week

**Science**  
**Seasonal Changes**  
**Winter/Spring**

Pupils should be able to:

- Name different types of weather
- Observe changes across the four seasons.
- Observe and describe weather associated with the seasons and how day length varies.
- Wind speed and direction
- Measuring rainfall.
- Measuring temperature

The following skills will be covered whilst working scientifically:

- Asking simple questions and recognising that they can be answered in different ways.
- Observing closely, using simple equipment
- Performing simple tests
- Using their observations and ideas to suggest answers to questions.
- Gathering and recording data to help in answering questions.

**History**  
**Significant Individuals in the Local Area**

Pupils will explore the significance of Josiah Wedgwood, Clarice Cliff and Emma Bridgewater in the pottery industry.

Enquiry 1: Why was the pottery industry important to Stoke-on-Trent?

Enquiry 2: Who was Josiah Wedgwood and when did he live?

Enquiry 3: How and why should Josiah Wedgwood be remembered?

Enquiry 4: Who was Clarice Cliff and why was she important?

Enquiry 5: What is special about Wedgwood, Cliff and Emma Bridgewater?

Enquiry 6: What impact have Josiah Wedgwood and Clarice Cliff had on the pottery industry?

Pupils should know:

- where the people and events they study fit within a chronological framework.
- the main features of their local area.
- some of the ways in which we find out about the past.

Pupils should be able to:

- use common words and phrases relating to the passing of time.
- identify similarities and differences between ways of life in different periods.
- use sources to ask and answer questions about the past.

**RE**  
**Why does Easter matter to Christians?**

By the end of the unit, pupils are expected to be able to:

- Recognise that Incarnation and Salvation are part of a 'big story' of the Bible.
- Tell stories of Holy Week and Easter from the Bible and recognise a link with the idea of Salvation (Jesus rescuing people).
- Recognise that Jesus gives instructions about how to behave.
- Give at least three examples of how Christians show their beliefs about Jesus' death and resurrection in church worship at Easter.
- Think, talk and ask questions about whether the story of Easter has anything to say to them about sadness, hope or heaven, exploring different ideas.

Pupils will know that:

- Easter is very important in the 'big story' of the Bible.
- Christians believe Jesus rose again, giving people hope of a new life.

<p style="text-align: center;"><b>Music</b> <b>Sequencing sounds to tell stories and create effects</b></p> <p><b>Create A Character</b></p> <ul style="list-style-type: none"> <li>• Recognise how music can create a character.</li> </ul> <p><b>The Mouse And The Giant</b></p> <ul style="list-style-type: none"> <li>• To begin to control dynamics using voices and instruments.</li> <li>• To use music to tell a story.</li> </ul> <p style="text-align: center;"><b>Copying rhythmic patterns</b></p> <p><b>A Tiny Seed</b></p> <ul style="list-style-type: none"> <li>• To experiment with musical texture.</li> <li>• To follow simple notation.</li> </ul> <p><b>Easter Service:</b> Practice for the Easter Service</p>	<p style="text-align: center;"><b>D&amp;T</b> <b>Fruits and Vegetables</b></p> <p>Pupils should be able to:</p> <ul style="list-style-type: none"> <li>• Describe fruits and vegetables and explain why they are a fruit or vegetable.</li> <li>• Name a range of places that fruit and veg grow.</li> <li>• Describe basic characteristic of fruit and veg.</li> <li>• Prepare fruit and veg to make a smoothie.</li> </ul>	<p style="text-align: center;"><b>Computing</b> <b>Creating Media - Digital Writing</b></p> <p>Pupils will develop their understanding of the various aspects of using a computer to create and change text. Pupils will familiarise themselves with typing on a keyboard and begin using tools to change the look of their writing, and then they will consider the differences between using a computer and writing on paper to create text.</p> <ul style="list-style-type: none"> <li>• To explore the keyboard.</li> <li>• To add and remove text.</li> <li>• To explore the toolbar.</li> <li>• To make changes to text.</li> <li>• To explore choices.</li> <li>• To make comparisons between writing on paper and using a computer for writing.</li> </ul>
<p style="text-align: center;"><b>PHSE</b> <b>Me and my Relationships</b></p> <p>As part of our focus on 'Me and My Relationships', pupils will be looking at the following objectives and working towards having a secure knowledge of how to:</p> <ul style="list-style-type: none"> <li>• To begin to value themselves.</li> <li>• To recognise and value similarities and differences between people.</li> <li>• To know that all families are different but they are special.</li> <li>• To begin to understand friendship.</li> <li>• To understand the difference between good and bad secrets.</li> <li>• To recognise some choices they can make.</li> </ul>	<p style="text-align: center;"><b>PE</b> <b>Dance</b></p> <p>In this unit pupils learn to explore travelling actions, movement skills and balancing. They will understand why it is important to count to music and use this in their dances. Pupils will copy and repeat actions linking them together to make short dance phrases. Pupils will work individually and with a partner to create ideas in relation to the theme. Pupils will be given the opportunity to perform and also to provide feedback, beginning to use dance terminology to do so.</p> <ul style="list-style-type: none"> <li>• To use counts of 8 to move in time and make my dance look interesting.</li> <li>• To explore pathways in dance.</li> <li>• To create a dance using actions, pathways and counting.</li> <li>• To explore speed and actions in a pirate based dance.</li> <li>• To copy, remember, repeat and create and perform actions that represent the theme.</li> </ul>	<p style="text-align: center;"><b>PE</b> <b>Target Games</b></p> <p>Pupils will develop their aim using both underarm and overarm actions. Pupils will be given opportunities to select and apply the appropriate action for the target considering the size and distance of the challenge. They will apply their skills individually, in pairs and in small groups and begin to organise and self-manage their own activities. They will understand the importance of abiding by rules to keep themselves and others safe.</p> <ul style="list-style-type: none"> <li>• To develop underarm throwing to a target.</li> <li>• To develop throwing for accuracy.</li> <li>• To develop underarm and overarm throwing for accuracy.</li> <li>• To develop throwing for accuracy and distance using underarm and overarm.</li> <li>• To select the correct technique for the situation.</li> </ul>
