Y6 Science Day at Werrington Primary School – Tuesday 11th March

Dear Parents / Carers,

Your child has been lucky enough to be one of twelve children chosen to attend a Science day to be held at Werrington Primary School on Tuesday 11th March. This fantastic opportunity will allow the children to collaborate with other pupils from local primary schools in the wonderful world of Science!

Please can children arrive at Werrington Primary School at **9.30am** prompt and will need to be collected at **15.15**. The children will need to be in full school uniform. All children will require a drink in a sports bottle and a packed lunch. There will be a variety of activities, both indoors and outdoors, so please can children bring along a suitable, hooded waterproof coat and a pair of wellies in a separate bag.

This is a very exciting opportunity and we are thankful to the Potteries Education Trust for the invitation to attend.

Please reply via email to the school office (office@st-johns-wetleyrocks.staffs.sch.uk) **by lunchtime on Thursday 6th March** giving the following information:

- 1) Child's name
- 2) Who will be collecting your child on the day from Werrington Primary School.

Yours sincerely,

Miss E Rushton
Science Subject Leader
