

# Leek & District Agricultural Show 2025

Saturday 26 July  
Schools Competition

We are inviting pupils from schools in the area to design and submit a poster for display at this year's agricultural show.

The theme for 2025 is **'Good Food from our Farmers'**

We have 2 age groups (see below) and will offer cash prizes for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> plus a medal for the winner in both age groups.

**Key Stage 1 (5 to 7 years)**

**Key Stage 2 (7 to 11 years)**

The posters can be any medium, ie paint, crayon, pastel, ink, collage etc and must be no larger than A3. **Please make sure the child's name, age and school are on the back of the picture.**

The posters will be displayed in the horticultural section of the show for visitors to view on the day.

We are aware that schools break up for summer one week before the show and we can arrange to come and collect from you before the end of term. In addition, if you would like a representative to come and talk to children about the competition, either in assembly or other convenient time, we would be delighted to do this.

This 'Schools Section' of the show is an area we are keen to develop and it would be so lovely to have the support of as many schools as possible to help us to achieve this.
