Dear parents and carers,

With great pleasure we welcome you and your child(ren) into the TMPF family. We are delighted that St. John's C E Primary School is now part of our Multi-Academy Trust. We have already met some of your wonderful children and look forward to getting to know them and you better over the coming years.

TMPF is now a family of 14 primary schools all located in Staffordshire. With the addition of the St. John's C E Primary School staff, we are proud to have a larger, talented teaching and learning team who are eager to support your child's development.

We believe that working in collaboration leads to better outcomes for all children. Therefore, we will bring staff together for continued professional development, and the sharing of good practice and resources across our schools. Where possible, we will also organise events for your child(ren) to join for an enhanced learning experience.

We would like to thank the Local Governing Body led by Mrs Lisa Rhodes for the many years' service and support to St. John's C E Primary School. Also, thanks to QEGSMAT colleagues for their work leading up to the transfer.

As before, your own school team is your first point of contact as you know them well and have an existing and positive relationship with them. Now that the school is part of the TMPF family, we are also here to help should you need us.

Very best wishes for a wonderful Advent and once again, welcome to the TMPF family.
