## Parking Safely at St. John's

Dear Parents and Carers,

We would like to thank you for your continued support in helping to keep our school community safe.

We are writing to remind everyone about the importance of safe and considerate parking during drop-off and pick-up times. Recently, there have been concerns about vehicles parking on double and single yellow lines, as well as in areas that block driveways, pavements, and crossings.

Parking on yellow lines is not only illegal but can also be dangerous, as it restricts visibility for pedestrians and drivers, particularly young children who may be crossing the road. Unsafe parking puts pupils, families, and local residents at risk.

We kindly ask all parents and carers to:

- Avoid parking on yellow lines or restricted areas
- Park legally and considerately, even if it means walking a short distance – the car park at the village hall is available for St. John's families
- Never block pavements, driveways, or access points
- Be mindful of local residents and other road users
- Ensure that children are using the paths to come into school, not the drive way

Your cooperation helps ensure that our school remains a safe and welcoming environment for everyone. Thank you for setting a positive example for our children by following road safety rules.

If you are able to walk, scoot, or cycle to school, we encourage you to do so wherever possible.

Thank you for your understanding and support.

Yours sincerely  
Mrs Stone

*"SHINE like the star you are."*
