

Dear Parents/Carers,

My name is Sally Mellor, and I am the owner and Lead Coach of FUNtastics School of Gymnastics. I am thrilled to be introducing our after-school gymnastics club at St. John's CE Primary School this autumn.

I have spent the last 20 years working as a primary school teacher and I have been running FUNtastics School of Gymnastics for the past five years. During that time, me and my wonderful team of coaches, have had the pleasure of helping hundreds of children develop confidence, coordination and a love of gymnastics in a fun, safe and encouraging environment.

After the summer holidays, I will be running an after-school gymnastics club every Tuesday.

To help you plan, here are the key details:

- Tuesdays, **3:30-4:30 pm**
- Open to children in **Reception to Year 6**
- **£56 for 7 sessions**
- Please complete the online registration form to secure your child's place.
- **Payment deadline: Tuesday 1st September 2026**

Gymnastics is a fantastic way for children to develop balance, coordination, strength, flexibility, confidence and teamwork in a fun, safe and supportive environment.

Every week brings something new! Children will enjoy learning exciting skills such as forward and backward rolls, cartwheels, handstands, bridges, backward walkovers and develop their bar and beam work. All taught in a safe, encouraging environment where every child progresses at their own pace. Our team of coaches are on hand at every session to support every child.

If you would like your child to attend, the cost is £56 for the seven-session course.

When making an online payment, please use your child's full name followed by STJ (for example, Ben Smith STJ). Please do not use your own name as the payment reference.

Cash payments can also be made after the first session in a clearly labelled envelope with your Child's name. We are unable to accept cheques.

Please complete the online registration form and make payment by the stated deadline to secure your child's place.

I can't wait to meet all our new gymnasts and share a fantastic first term together. Whether your child is completely new to gymnastics or already loves to tumble, they'll receive a warm welcome from our FUNtastics Team!
