Dear Parents and Carers,

What a wonderful start it has been to my journey as the new Headteacher of St John's CE Primary. I have been absolutely blown away by the warmth, kindness and support shown by everyone in our school community. From the very first moment, I have felt truly welcomed, and I am incredibly grateful to be part of such a special school.

The children have been nothing short of amazing. Throughout the week, I have been so impressed by their politeness, enthusiasm and positive attitudes. It has been a real pleasure getting to know them, and I have already seen so many examples of kindness, curiosity and friendship in action. They are a credit to their families and to our school.

In our first worship together, we had lots of fun as the children took part in a series of challenges designed to demonstrate just how amazing they are. Their enthusiasm, teamwork and willingness to get involved made it a fantastic way for us to begin the year together.

One of my biggest challenges at the moment is learning the names of all our pupils and staff! It is quite a task, but one that I am thoroughly enjoying. I am working hard to get to know everyone as quickly as possible, so if you see me around school, please feel free to test me!

I would also love the opportunity to meet more of you personally. I will do my very best to be available on the exits at the beginning and end of the school day whenever possible, so please do come and introduce yourself. I am looking forward to putting faces to names and continuing to build strong relationships with our families.

Thank you for making me feel so welcome during my first week at St John's. I am incredibly excited about the year ahead and all that we will achieve together. I have already seen what a wonderful community this is, and I feel privileged to be part of it.

Here's to a fantastic year ahead!

With best wishes,

Craig Broome
